

SCC Library – **Dental Journals** in the **periodical stacks** (2d floor) and the **library databases**, May 2011

Periodicals in this list are available through the SCC library. The list includes periodicals the library has on the shelf in hard copy as well as the full text periodicals that staff and students can access through the library databases using their ID number and eservices password. The second half of the list includes the titles of periodicals for which staff and students can access article citations in the library databases. Full text of these articles may be available in area libraries.

Full text articles for these journals are available on the library shelves or in the databases as listed below the journal title. Print periodicals are located on the second floor of the SCC library. Databases are accessible off campus with ID number and eservices password.

Access : the newsmagazine of the American Dental Hygienists' Association.
