

**Intersegmental General Education Transfer Curriculum (IGETC)  
University of California or California State University  
2005-06**

**THE IGETC REQUIREMENTS MAY CHANGE EACH YEAR.**  
It is the student's responsibility to check with a counselor each year for updated IGETC information.  
See a counselor prior to transfer concerning certification.

Completion of all of the requirements in the IGETC will permit a student who transfers from a community college to a campus in either the California State University or University of California systems to satisfy that campus' lower-division general education requirements prior to transfer. CSU transfer students may continue to complete the alternative CSU General Education pattern certifiable by SCC.

The courses required for ALL AREAS must be completed before the IGETC can be certified by a counselor. **All courses must be completed with a "C" grade or better.**

+ Courses designated with a cross (+) are listed in more than one section, but can be used **only once in one section** to satisfy a requirement.
